

Genesee Valley Physical Therapy & Sports Rehab, PC

Mission Statement

We are a Physical Therapist owned Private Practice and have been serving the Rochester community since 1987. Our professional staff is Board Certified Licensed Physical Therapists.

We ensure access to quality individualized care and engage in the promotion of healthier lives within our community.

Our therapists come from diverse educational backgrounds and possess special interests and education so we can offer our patients excellence in orthopedic, sports related, neurological, pain management, women's health and aquatic physical therapy care.

Our staff works closely together sharing information by regular interaction and continuing education courses.

Our number one priority is patient satisfaction.

- You will always have the consistency of seeing the same Physical Therapist for the course of your treatment. This will ensure that the goals set forth by you and your therapist can be achieved.
-
- You will be educated on the anatomy of your condition. At which time you will also be given home exercises and preventative measures to take with you.
- We will coordinate and communicate with your doctors or other specialists to optimize your function in life, work and sport.
- Each of our locations offer extended hours to accommodate you. We will always work with you to ensure your appointments don't interfere with your busy life.
- We respect your time, financial resources and well being. Your goals will be achieved in the least number of visits possible to contain your costs as well as your time away from work and family.
- We promise to bill insurance companies responsibly and ethically in a cost effective manner to ensure reasonable fees for our patients.
- We will always be accessible. You are encouraged to call or e-mail your therapist with questions or concerns regarding your treatment.

Our mission is that patients will not only benefit from their treatment but ENJOY their experience at GVPT!
