

## Genesee Valley Physical Therapy & Sports Rehab, P.C., founded by William Jackson, PT and Daniel Geen, PT in 1987, welcomes Ryan Healey, DPT, CSCS into their partnership.

- Ryan has worked for GVPT, as a clinician, for over 5 years. He understands the company's values, and will continue to educate and assist our patient's towards achieving their goals.
- He specializes in the rehabilitation and sport-specific training for athletes. He remains a member in good standing with the National Strength and Conditioning Association.
- Recovered from a longstanding back injury, Ryan has a special interest in evaluating and treating mechanical disorders of the spine. (He currently is completing his McKenzie Certification)
- Grounded by his strong personal character, he will continue to deliver an unsurpassed level of care to our patients. His compassion and ability to listen is an integral part of the care that he provides.

**Thank you for the continued trust and  
confidence in our service to your patients.  
We appreciate your referrals!**
